

2005/2006 Mustang Stars & Stripes Pony CDC # 110200

Note: Read installation instructions before starting.

Kit Components:

- 1 - Stars & Stripes Pony
- 4 - 3.2mm Push on Retainer
- 1 - Instructions

Tools Needed:

- Flat Head Screwdriver
- Small Pick

Removal of Factory Grille & Pony:

1. Using a Flat Head Screwdriver, remove six plastic pushpins from plastic radiator cover and set cover aside.

Figure 1

2. Remove the factory Honeycomb grille that is held in by eight plastic clips that are attached directly to the grille.

Figure 2 & 3

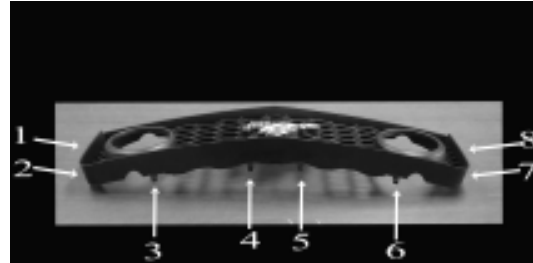

Figure 2

Note:

GT Models will require the fog lights to be unplugged before grille can be removed completely.

3. Remove original pony from the grille. From the backside, use small pick to remove the four push on retainers that hold the pony to the grille.

Figure 4

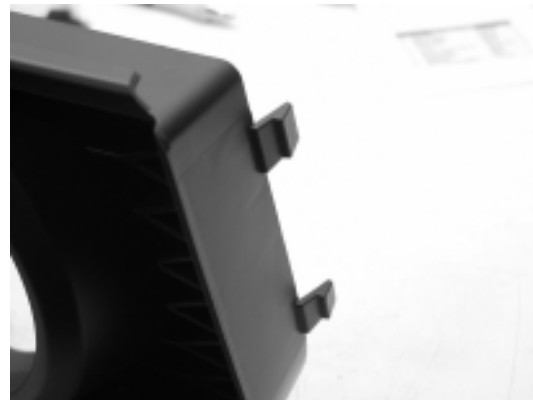

Figure 3

Install Stars & Stripes Pony:

1. Install Stars & Stripes pony using the four supplied push on retainers.
2. Install grille into vehicle making sure that all eight clips snap securely into place.

Note:

GT Models will need to plug in fog lights before grille is snapped in place.

3. Install plastic radiator cover using six factory pushpins.
